Features

- The Ham-Ham dictionary contains over 80 different words, including: Hamha! (hello), Heke (what or huh?), and Wasa-Wasa (sound of walking).
- Players control Hamtaro, in their quest to find over a dozen members of the Ham-Ham Bunch - Hamtaro, Boss, Bijou, Pashmina, Jingle and many more.
- Each term matches with a cute animation. Players can string them together to create their own Ham-Ham dance.

Nintendo Co. Limited holds the exclusive video game rights to the Hamtaro franchise, which has generated over \$2.5 billion in retail sales to date in Japan. Hamtaro and friends head into U.S. homes June 3 when the television series debuts on Cartoon Network, 7 a.m. and 4 p.m. weekdays.
